Cargraphic high flow stainless steel T304 exhaust systems give your Maserati the finest exhaust note available. Reduced back pressure results in a power and torque gain over the entire rev band. Available in different sound levels and versions with or without exhaust flaps. Exhaust flaps can be controlled either by switch in the saloon or by remote control.

cargraphic wheels are the absolute finest 3 piece wheels on the market. This 3 piece high quality product *“Made in Germany”* incorporates the strongest, lightest and most durable components such as: • Heat treated cast stars or, • Spun forged machined stars, • Handpolished stainless steel outer rims, • Reinforced inner rims, • Internal bead retainer for secure and perfect tire fit as prescribed by TÜV standards, • Stainless steel bolts. Race proven on the worlds most challenging race tracks the **cargraphic** RACING wheel is the world record holder on the Nürburgring Nordschleife. All wheels are TÜV approved with extreme high wheel loads, thereby insuring the highest quality and construction. The wheels are available in the following finishes: standard: silver center; custom: black center, SLC-chrome center, polished center, painted in any colour.

A **cargraphic** stainless steel centercap is included or optional for a high tech finishing touch opt for a set of **cargraphic** center lock dummies.
